Career Exploration Worksheet

Select several **National Student Council** Career Exploration videos that interest you. While watching each, consider the questions below. Keep a journal of your responses, reflecting on what you've learned and how these lessons might apply to your own career aspirations.

If watching the videos with others, use these questions to guide a group discussion.

Career 1:

Describe your overall impression of this career.

What did you find most interesting about this interview?

What advice did you find most helpful from the interview?

Which of your own skills do you think would be useful in this job?

What skills do you feel you would need to strengthen?

What next steps will you take to pursue your interest this career?

Career 2:

Describe your overall impression of this career.

What did you find most interesting about this interview?

What advice did you find most helpful from the interview?

Which of your own skills do you think would be useful in this job?
