NATIONAL COUNCIL
OF EXCELLENCE AWARD

DEADLINE TO APPLY: FEBRUARY 14, 2025

Step 1: Review Award Criteria and Build Portfolio.

- The award criteria is organized into "Required Evidence" and "Additional Evidence." Student councils must meet all "Required Evidence" in order to apply each year. Student councils pursuing the NCOE Gold level must also meet a minimum number of "Additional Evidence" indicators.

- Gather documentation, meeting notes, samples, and other evidence of your student council meeting the award criteria.

- Organize a portfolio of evidence, whether electronic or printed copies, which can be presented to your school principal. NASC will not collect or review your portfolio at any point, so its format is at the discretion of each student council and principal.

Step 2: Present the Portfolio to the Principal.

- The council adviser and student members meet with the principal to present and review the completed portfolio, along with how the evidence meets award criteria. Be prepared to explain and respond to any questions from the principal.

- As part of the online application, your school principal will be asked to complete a form providing an affirmation and a recommendation for your council, based on the information presented during this meeting.

Step 3: Complete and Submit the Online Application.

- Designate one adviser or student to complete the application on behalf of the student council. Once started, the application can only be accessed and submitted by the user who started it.

- Sign into the online application portal using the same login credentials as for the NASC website.

- In the application, identify which award criteria you have met and share two or three examples of projects or activities led by the student council.

- The adviser and principal each provide a recommendation and affirmation that the student council has met the criteria to earn NCOE or NCOE Gold.

- After all components have been completed, log back into the application portal to submit before the deadline.
